

## LET'S GO TO DUISBURG

### Hot Strip Mill Foundation Revamping

We're excited to share a major achievement in our project portfolio: **ThyssenKrupp Steel Europe AG** in Duisburg, Germany, has selected us for the **Hot Strip Mill Foundation Revamping** project, to be completed within a challenging **35-day outage**.

Leveraging our advanced fast-track revamping system, featuring pre-assembled foundation blocks, we aim to complete the project in **75% less time than conventional methods**, showcasing our commitment to efficient and innovative engineering & construction solutions.

Commissioned by

**4.500 m<sup>3</sup>**

Demolition of the existing foundations

**6.900 m<sup>3</sup>**

New foundation concrete volume

**No. 250**

Pre-assembled blocks

**No. 30**

Shutdown Days Saved
